For courses scheduled in Harrisburg, Indiana and Kulpsville, registrations must be received at least 35 days before the scheduled course start date in order to assure sufficient enrollment to prevent cancellation or rescheduling. The reason is that hotels other than the Penn Stater now require a minimum 30-day notice to avoid major penalties for cancellations.

**NECEPT reserves the right to reschedule or cancel courses with insufficient enrollment.
NECEPT also reserves the right to conduct additional courses in case there is a need.**
